RESPONSE

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Amendment and Remarks are submitted in response to the Final Office Action dated June 27, 2007 and currently with a petition to revive.

Applicants note that an RCE was filed on September 27, 2007 to enter prior art document and a statement of substance of interview, but a Response to the Office Action was not submitted during the statutory period. A new office action was issued on November 16, 2007. While no notice of abandonment has yet been received, Applicants assume that the application is abandoned by operation of law for failing to reply to the Office Action of September 27, 2007 and file this Response along with a petition to the Director to revive this application.

Please amend the above-identified application as follows.

Amendments to the Claims begin on page 2 of this paper.

Remarks begin on page 12 of this paper.
